

OXYSHRED

THE ULTIMATE THERMOGENIC FAT BURNER

OxyShred is a scientifically researched thermogenic fat burner. OxyShred will stimulate your body's fat receptor cells and boost your metabolism to promote an increased level of fat cell break-down, known as "Hyper-Lipolysis". This is a complex process of efficient subcutaneous fat cell break-down based on scientific ratios and concentrations of the key ingredients. OxyShred also has the added benefits of kick starting the metabolism, curbing your appetite, limiting calorie absorption, boosting immunity and providing a natural boost of energy.

BENEFITS:

- 1 Mobilize and burn stubborn fat cells
- 2 Gives you energy throughout the day
- 3 Boosts your metabolism and immunity, helping your body destroy stubborn fat cells
- 4 Limits calorie absorption & tastes delicious
- 5 100% natural flavors that taste amazing
- 6 Increases your natural energy and concentration, so that you can train harder and achieve more

WHEN:

For optimum results take twice daily - Mix 1 scoop with 10 ounces (295 ml) of chilled water first thing in the morning on an empty stomach, and on training days, consume 15 minutes prior to exercise. Avoid eating or consuming a protein shake within 20 minutes after consumption for maximum absorption.
